USNSCC MEMBERSHIP DUES – PRO-RATED FOR AUGUST 2010

All Cadets attending the Bataan Military Academy are members of the United States Naval Sea Cadet Corps. The first year's membership fee is \$150.00. The second and subsequent years' membership fee is \$125.00. (All fees are subject to increase.) Cadets enrolled and registered to attend the Academy starting in August 2009, owe the full membership fee. Paying late does not reduce the amount due.

As announced in the *Captain's Log* during the Spring of 2009, USNSCC annual membership dues are being adjusted this year in order that dues for *all* Cadets will become due during August of each year. Processing Cadet memberships each month has become an over load for parent clerical volunteers. To address this problem, dues are being adjusted so that the dues for *all* Cadets become payable during August registration each year.

CADET EXTRA MILITARY INSTRUCTIONS (EMI) EDUCATIONAL PROGRAM PARENT PERMISSION FORM

The Bataan Military Academy provides an instructional program to address Cadets' incorrect decisions resulting in unbecoming conduct with both military style and non-military style results. The Parent will select the sequential pathway in the event their child decides to commit one or more of a list of unbecoming conducts. Using Extra Military Instruction (EMI) as a behavior modification learning tool, the results, including counseling, are designed to change Cadets' poor decisions and to assist Cadets in making more constructive and productive choices in the future.

Cadets' possible choices of unbecoming conduct as described in the *Cadet Code of Conduct Regulations Manual* (available in Headquarters and on line) are listed in three categories called Articles, along with corresponding resultant Extra Military Instruction (EMI) and Non-Military Instruction (NMI) resultants. The program is not one of punishment and is not punitive. Rather it is an instructional tool used in physical education and sports training programs found in most public and military schools. Cadets and parents have a choice concerning their preference – military or non-military style resultants. Cadets' safety is paramount. Resultants are not physically or mentally strenuous, excessive, humiliating or abusive and are determined by the Cadet's own poor decisions and misconduct. The resultants including counseling may be provided by an adult(s). The resultants will not exceed the Cadet's own physical ability as (s)he has voluntarily demonstrated in the Cadet's 2008-09 *Physical Readiness Test Standards Minimum* baseline. In addition to EMI for the individual, EMI may be used for groups, divisions or classes. EMI is used and supervised by adult Officers – not other Cadets.
